

# NATIVE ECHOES

in Hedgesville, WV *presents*

## Homesteading 101

### Workshop Series

**The first Saturday of each month from February–November 2023 we will be hosting workshops to teach basic homesteading skills, rural living, and self sufficiency.**

February 4  
Tools &  
Equipment

March 4  
Tree Care

April 1  
Fire & Wood

May 6  
Basics of  
Growing Crops

June 3  
Animals

July 1  
Pest /Wildlife  
Control

August 5  
Off Grid vs  
On Grid

September 2  
Crop  
Preservation

October 7  
Foraging

November 4  
Tool/Equipment  
Maintenance

Take the whole series or choose individual workshops. Plan on each workshop lasting four hours. You will be outside, hands-on, using tools, and getting dirty. Please dress appropriately for the weather and wear comfortable shoes. You could be digging up dirt, cutting down trees, building garden beds, handling animals, or walking up and down hills.

Visit [www.lisarhubbard.com](http://www.lisarhubbard.com) for more details.
